Information about where we are holding our AGM

We are holding our AGM at Blenheim Baptist Church.

We think its great place to hold our AGM. It is a new building that looks rusty on the outside. It is near a tall building that you can see from places you will know.

It is near the Stick or Twist.

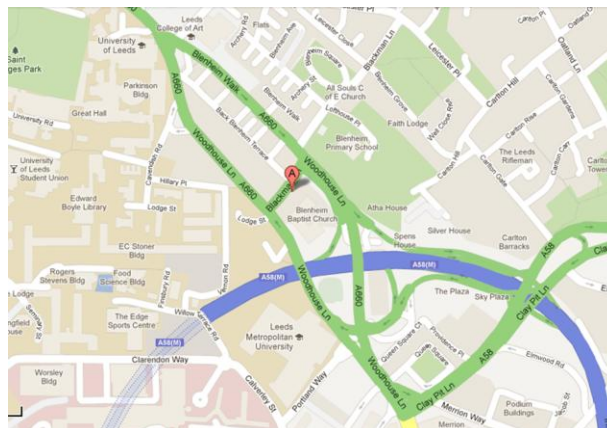

It is also close to the Parkinson Steps, where we go to the Beautiful Octopus Club.

If you want we can arrange to meet you at the Stick and Twist or at the Parkinson steps.

Bus numbers 1, 6, 95 and 97 all stop on Woodhouse Lane. Get off at the stop where you can see the tall building with the old stone building in front like in this picture.

This map shows where the AGM is going to be. Look for this 

If you are coming by car, you can park in the University Car Park. The barriers open at 6.00pm

These pictures show you the way in and way out of the car park.

When you come out of the car park you can see this on the other side of the road. Walk in here and turn left behind the stone building

The church is at the far end. Go into this small gap to see the way in to the AGM.

If you need a space for disabled parking, please ring the office (0113 234 6896) before 19th November to let us know to book one for you. The church has good disabled access.

Any problems on the evening ring one of these numbers
