

Dear Member of People Matters (Leeds)

At our AGM meeting at the end of 2012 we gave you some news about the changes that were going to be happening this year.

I said that I wanted to be chair of directors and you said this change was right at the meeting. Robert and Paul are both still directors.

Maureen said that she wanted to step down as Chief Executive during the coming year. She said she didn't want to go altogether. Maureen needs to spend more time with her family and friends.

Tina Turnbull said hello as she had been given a job as Assistant Chief Executive. It was planned that she would become Chief Executive.

The news now is that Maureen has stopped being Chief Executive. Tina has said she will do this job. Maureen will still be involved with People Matters. She will only be working two days per week. You won't see as much of her in the office. She does want to spend some more time with people at groups and meetings if she can.

Tina has been asked if she will be Chief Executive for 6 months. She will be managing the office and working with directors.

The directors have now got to think about what People Matters needs to do next. We have plans to make so we are sure we do the best job we can. If there is any more news we will send this out in the letter you get each month about what is happening. We will put these messages on our face book page and we will put them on the news page on our website.

All the groups you go to, classes you go to and support you get will be carrying on as normal.

Best wishes

Becky Farren
Acting Chair of Directors
