

# Hospital Assessment

**Really important information you need to know about me**

My Name is:

.....  
If I have to go to hospital this book needs to go with me, it gives hospital staff important information about me.

It needs to be at the end of my bed and a copy should be put in my notes.

This passport belongs to me. Please return it when I am discharged.

Please read my Traffic Light Hospital Assessment - it will only take a few minutes!

My carers would be happy to answer any questions.
