

Teens Newsletter – January 2015

Its reunion time! You haven't had the chance to meet up properly in ages. We thought we should give you the chance to get together. Do let us know you are coming.

Saturday group – meet up Saturday 31st January at 1.30pm

Tuesday and Wednesday groups – meet up Monday 2nd February at 6.30pm

Thursday and Thursday moving on groups – meet up Monday 9th February at 6.30pm

All the meet ups will be at Kirkstall at MacDonalds. We will

- do bowling
- have a chance to chat
- a cartoonist will draw pictures of stories you have to tell about Teens – you will get a copy of what is done

Let us know if you are coming via Facebook, email info@peoplemattersleeds.co.uk or Tel: 0113 234 6896 asap or 26th Jan latest.

Can't come to your group's meet up? You can come to a different session but let us know. All volunteers are very much invited to come along too. We have also invited Sarah.

We also wanted you to see some staff that used to run groups. They are doing different things now so it can't be exactly the same. Zach and Becky will be there each time.

More news - Our stage 2 application for a new grant to the Big Lottery is finished. Yippee! We have sent it in. Keep your fingers crossed that we get the money. If we do we can start Teens up again. The Big Lottery told us that they wanted some extra things this time. We can tell you a bit more about the plans when we see you.

The Big Lottery also want us to go out and tell people how wonderful you all are. We are going to a big event on Thursday 30th April in Sheffield organised by Learning Disability Today. Do you want to come too? Let us know we can take up to 20 of you. We will go on the train for the day. It will be really good. We can talk to your school or college about letting you come with us. Parents or carers will be welcome if they want to come too (but they would need to buy themselves a ticket for the event – more info at www.pavpub.com and click on the events button)
