

## Teens Newsletter March 2015

	<p>Thank you to everyone who came to the Teens reunions. We hope you enjoyed yourselves doing bowling, telling Tom about Teens and seeing the pictures he drew. News since you all met up is that:</p>
	<p>Our application to the Big Lottery for a new Teens project will at last be going to their big decision making panel near the end of March.</p> <p>Tina had to do a telephone assessment with a project officer from the lottery about 2 weeks ago. We expect to hear if we have the grant for a new project by early April so keep your fingers crossed. (Remember we have had to make a few changes but we can tell you more about that if we get the grant OK)</p>
	<p>We have used the pictures from the stories you told Tom about what Teens and Twenties is like. These have been turned into a booklet and will be printed. Everyone from Teens will get a copy to keep.</p>
	<p>We have promised the Big Lottery that we will go out and make sure that lots of other people get to hear about Teens. Can you help us with this?</p> <p>We are looking for some members of Teens to get involved in a trip out to help us talk about what Teens is like.</p> <p>The 2 days out are in Leeds City Centre on 28<sup>th</sup> April and to Sheffield on 30<sup>th</sup> April. Both are big meetings with lots of people there and lots to see and do. We will ring you to see if you want to go. If you are at school or college we can talk to them about letting you come with us for the day.</p>
